

OFF-SHORE™

BULK BLASTING SYSTEMS

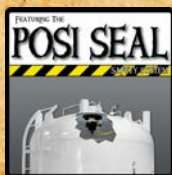

TOUGH ENOUGH FOR THE HARSHTEST CONDITIONS ON THE PLANET

Off-Shore™ Bulk Blasters feature a powder coating system on the exterior for the highest durability in the toughest environmental conditions.

PERFORMANCE

- 4-Outlets / Pneumatic Controls
- Available in Standard or Big Gun™
- APV II™ Metering Valves
- 1600 CFM Moisture Separator

INCLUDED:

STRENGTH & DURABILITY

- SePco / BHP-Ready 1" Lift Lugs
- Bulk Bag Rack Tie Down Hooks 
- Galvanized Piping for Corrosion Resistance
- Blue Powder Coated Exterior with Matching Ladder Extensions
- Posi Seal Safety System & Safety Valve to prevent the accidental opening of the top closure while under pressure
- Off-Shore Skid with Crash Guard™ and Gravel Guard™ Fork Pockets. The bottom of the pockets are raised from the ground, keeping gravel and other debris from being pushed into the pockets and then falling out onto workers when raised.

Options

<p>Big Gun™ Full Flow System</p>  <p>36% - 40.5% increase in productivity</p> <p>Oversized air valves for more total through put A MUST when using large nozzles</p>	<p>Big-Bore™ Abrasive Delivery System</p>  <p>When high abrasive flow is key to your operation, the APV Big-Bore™ system is the answer.</p> <p>235% THE SIZE OF A STANDARD VALVE</p> <p>The more than 2X max flow rate is achieved by opening up the abrasive path through the valve.</p>
<p>Off-Shore™ Bulk Bag Rack</p>  <p>PN: 888-1108-072PB-OS Powder coating system Chain tie-down system to keep rack securely attached to pressure vessel</p>	<p>Interior Pressure Vessel Coating</p>  <p>When protecting your vessel for its longevity, don't neglect the inside of the vessel.</p> <p>Pirate Brand® offers optional powder coating of the interior of the vessel.</p>
<p>Abrasive Cut-Off</p>  <p>PN: 888-2035-031PB 110' Abrasive Cut-Off Kit Pneumatic, Per Outlet (Factory Installed)</p>	<p>Safety Relief Valve</p>  <p>PN: 888-2470-007PB Relieving Safety Valve, ASME, 150 PSIG, 1602 SCFM, 1¼" NPT, Top Venting Outlet, Hard Seat</p>

Lifting-Related Add-Ons

- SePCo / BHP Prep & Certifications • Cable Sling & Shackle Package
